AV 17/2/25

Sir,

I have the honor to forward herewith copy of correspondence ending with Shimoga District Deputy Commissioner's letter No.163 of 24-25 dated the 5th February 1925 together with vernacular records received therewith in respect of the construction of a Namaz Katte in Gomal Survey number 84 of Somalapur village, Channagiri Taluk, and the alienation of two guntas of land therefor and to state that the Deputy Commissioner who had issued orders for the appropriation of the land and the construction of the Namaz Katte was requested to hold his orders in abeyance as Government had reserved the power of granting permission for the construction of new places of worship. He now reports that the Namaz Katte or Edgah is constructed outside the village at some distance on a height without any roofing over it, that the Mahomedans have executed a mutchalika stating that they would not obstruct in any manner the passing of processions religious or otherwise in front of the proposed Namaz Katte while the Hindus have no objection to the grant of 2 guntas of land out of Gomal for building a Namaz Katte and solicits permission for its construction.

In the above circumstances I beg to recommend that permission may be kindly granted for the construction of the Namaz Katte on the Gomal land as prayed for.

I have the honor to be,
Sir,
Your most obedient servant,

Muzrai Commissioner.
